

Audrey Dress Tutorial

LEFT DRESS PLEAT

Cut this piece out of vellum or your choice of paper. make a pleat at dash lines

- fold small dash lines back
- fold large dash lines forward

RIGHT DRESS PLEAT

Cut this piece out of vellum or your choice of paper. make a pleat at dash lines

- fold small dash lines back
- fold large dash lines forward

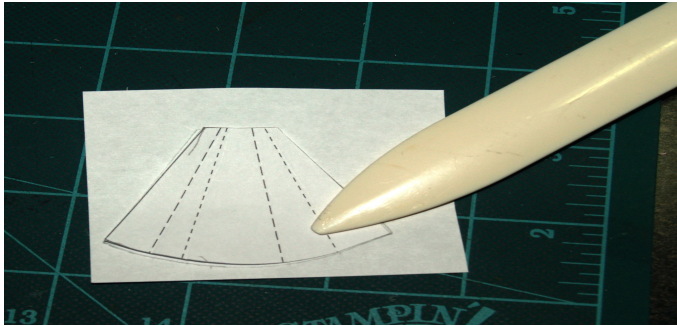

Cut dress shape then texture with your choice of embossing folder or texture plate. You may also use textured paper.

dash lines are folds, solid lines are cut

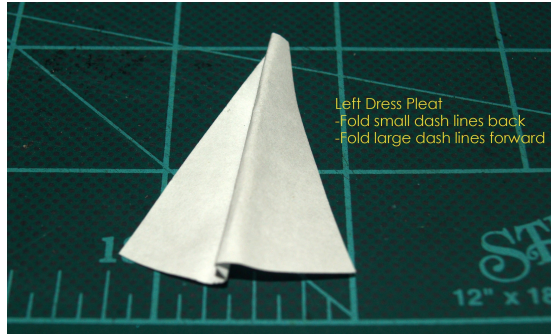

Audrey Dress Tutorial

Trace and cut the dress on cardstock. Use an embossing folder or texture plate to add texture to your dress. You may also use textured cardstock.

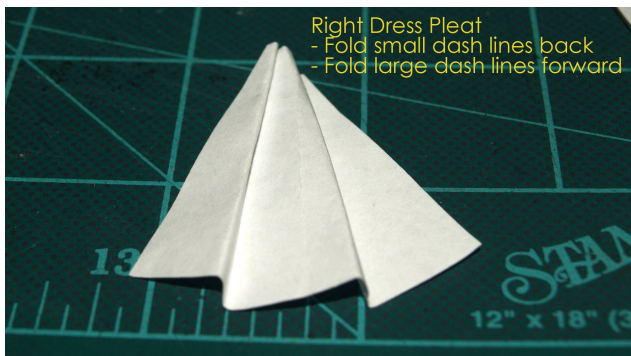

Trace the folds of the dress on vellum or contrasting color card stock. Use a bone folder to score the fold lines.

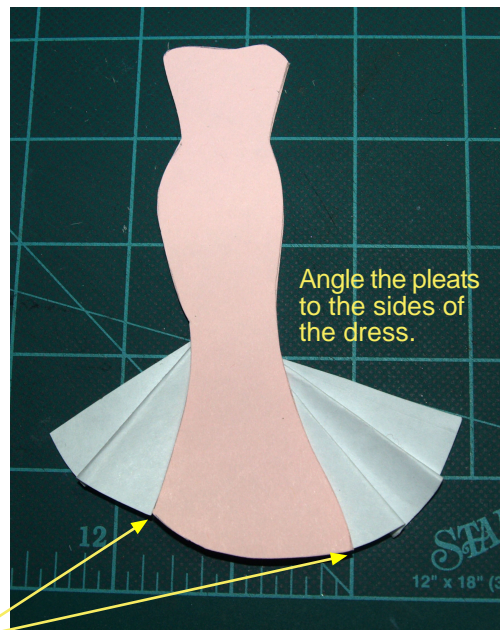

Trace the pattern and use a bone folder to score the fold lines.

Left Dress pleats

Right Dress Pleats

Align the bottom edges of the pleat to the bottom of the dress. Angle the pleats to the dress as in the photo. Use tape to adhere the pleats to the back of the dress.
